Accessories

Awning wall - this addition will provide extra shade no matter what time of the day or where the sun is coming from. Easy to attach and easy to pack up.

Mosquito enclosures or "mesh kits" - designed to use when in the bush and you are trying to keep flies and mosquitos away when wanting to relax. Easy to attach and setup.

Tent kits - designed to provide a handy easy alternative to carrying a traditional tent, they attach to the awning to provide a full tent enclosure with windows and doors. The best bit of these tents is that you can stand up unlike a traditional short tent.

Mesh floor - a handy 3 x 3m floor to provide a nicer covering no matter what surface you are on.
